Happy New Year

2020
Words from our Executive Director.

The New Year is here and I'm happy to say
That we have the best staff, bringing so much worth to work each day.
This New Year promises to bring all things great.
And for this reason, I just can't wait.
Have a brilliant New Year and make the joy last.
And hold onto fond memories of the year of the past.

May the New Year bring us all many more wonderful opportunities to
continue our work of helping students reach their potential and ways to
make a difference in the lives of our students every day!

January also brings a reminder of the work completed by the American Dental
Association and to celebrate...... Give Kids a Smile Day

Through the ADA Foundation’s Give Kids A Smile program, launched nationally by
the American Dental Association in 2003, more than 5.5 million underserved children
have received free oral health services. These free services are provided by
volunteers including approximately 10,000 dentists annually, along with 30,000 other
dental team members.
As someone who works with children, you know how a tiny smile can brighten your day. Yet parents may not always make the connection between oral health, overall health, and well-being. Untreated tooth decay can lead to pain and infections, which can affect a child’s ability to speak, eat, play, and learn. Fortunately, early intervention and proactive education can help. Tooth decay is preventable!

Give Kids A Smile remains a critical piece of the ADA’s Action for Dental Health, a nationwide, community-based movement aimed at ending the dental health crisis facing America today. It is designed to address the dental health crisis in three distinct areas:
1. Provide care now to people who are suffering from untreated disease;
2. Strengthen and expand the public/private safety net; and

Visit the Tiny Smiles website to view and download materials. Thank you for your efforts in raising awareness about children’s oral health and for protecting those tiny smiles.

New Year, New You: Professional Development at SC BOCES
Each month, all of the SC BOCES providers gather for a day of training, collaboration, good times and great food. These days provide opportunities for our provider teams to meet and allow for professional development activities to better service our students. With the majority of our staff being itinerant, these days also allow for team building opportunities and a chance for coworkers to visit and catch-up. At our November All Staff PD, our providers were equipped with new Microsoft tablets and smart pens to help make their work lives a bit more streamlined, and hopefully a bit more fun! In December, we celebrated the holidays with a festive lunch and gift exchange just before our Winter Break. Here’s to continued growth during Professional Development 2020!!

Winter Mindfulness Activities for Kids
From: The OT Toolbox
Teaching kids mindfulness techniques can be a way to incorporate self-awareness, self-regulation, and the senses. The winter months, can be a time when mindfulness is especially necessary. The winter mindfulness activities for kids listed below include tips for mindfulness in the classroom and creative mindfulness exercises with a winter theme. These mindfulness activities can be used as a support for so many occupational therapy goal areas. In fact, the benefits of mindfulness are many! Read on to learn more.

$34 Million Dollar Grant Buoys Colorado's Early Childhood Efforts
From: Chalkbeat

Colorado won a $34 million federal grant intended to give more young children access to quality early childhood services.

The grant will pay for a long list of projects, including updates to the state's early childhood technology systems, improvements to the child care rating system Colorado Shines, scholarships for childcare providers seeking a common
industry credential, and microgrants to improve child care facilities. Click HERE to read more.

Key Driver Diagrams

2019-2020
OUR AIM: TO IMPROVE STUDENT ACHIEVEMENT OUTCOMES THROUGH INTER-DISTRICT COLLABORATION

Three Primary Drivers

- HIGH QUALITY STAFF
- HIGH QUALITY OPERATIONAL PROCESSES
- HIGH QUALITY GOVERNANCE
THE EXCELLENCE IN EDUCATION COMMITTEE FUND
OF THE WET MOUNTAIN VALLEY COMMUNITY FOUNDATION

COMMITTEE BY-LAWS

Article I - The Committee: These by-laws pertain to the Excellence in Education Committee (the "Committee") of the Wet Mountain Valley Community Foundation ("WMVCF"), which has been established to raise funds for the Custer County School Educational Excellence Fund (the "Fund"). These funds are designated for the exclusive benefit of the Custer County School District C-1 (the "School District"), its students, parents, teachers, and administrators.

Article II - Functions of the Committee:

A. The Committee shall solicit funding sources to support the mission.

B. The Committee shall make recommendations to the school administration and the WMVCF concerning prospective funding requests from appropriate funding sources.

C. The Committee, upon approval from the school administration and WMVCF, shall pursue such funds in the name of either the Fund at WMVCF or the School District directly, as appropriate for the particular funding source. Each potential grant application will be discussed and reviewed by a representative of the school district (Superintendent, Principal, or Business Manager) before being submitted by the Committee. The Committee will also get approval from any school staff member involved in the execution of the grant, to verify school agreement with what is being submitted and that the use of this grant be monitored and sustainable.

D. The Committee may also solicit other donations and advised funds to become part of the Fund at WMVCF in support of the School District.

E. The Committee shall be bound by the policies set for it by the School District and policies pertaining to it as set by WMVCF. The Committee shall not have authority to speak for or act on behalf of either the School District or WMVCF unless specifically so authorized.

F. The Committee shall be responsible for keeping complete records of all its activities, including all communications with donors and prospective donors, and shall be responsible for all necessary reporting required by any funding source. The Committee shall, in particular, assure that all donor intentions and conditions with respect to gifts are fully reported to the school administration.
G. At least annually, the Committee shall complete a written report of its activities to WMVCF and the School Board.

Article III - Membership:
A. All members of the Committee are voting members. Members may be appointed by WMVCF, the School Board, and the Committee from the community at large.
B. Any member appointed by WMVCF or the School Board may, at any time, be removed by the appointing authority.
C. Members who resign or who are removed shall be replaced. The Committee shall have a minimum of five, and a maximum of nine members at all times.
D. No term limits shall apply to membership on the Committee.

Article IV - Officers
A. The members of the Committee shall annually elect from their numbers the following: a chairperson, a vice-chairperson, a secretary, and a treasurer. All officers shall be voting members of the Committee.
B. Duties of the officers

1. The chairperson shall conduct all meetings of the Committee and shall set the agenda. The chairperson, or his/her designee, shall solely be authorized to speak publicly about the decisions and activities of the Committee.
2. The vice-chairperson shall act as chairperson in the chairperson’s absence.
3. The secretary or designated member shall take minutes of each meeting and maintain complete records of the Committee’s activities and correspondence, all of which shall be made available to WMVCF, the School Board, or the school administration upon request.
4. The treasurer or designated member shall maintain complete records of the Committee’s gift and grand requests and donations, all of which shall be made available to WMVCF, the School Board, or the school administration upon request.
5. The treasurer shall communicate as needed with the bookkeeper of the WMVCF, and will follow proper standard procedures for counting and depositing donations received by the Committee. The treasurer will present a short financial report to the Committee members at each of their regular meetings.
Article V - Meetings
A. Meetings shall be called at the chairperson’s discretion or at the request of two members of the Committee.
B. A majority of the membership shall constitute a quorum.
C. A vote of the majority of the members present at a meeting at which a quorum is established shall affirm or negate a decision of the Committee.
D. A member may participate in any meeting of the Committee remotely. A member may also give a written proxy to any other member of the Committee to act on his or her behalf at any Committee meeting. Members communicating remotely or represented by proxy shall be deemed present at the meeting.
E. The Committee may take action by conducting a telephone or email poll, provided that each member of the Committee is contacted, given reasonable information about the proposed action, and afforded a chance to vote for or against the proposition, or to abstain.

Article VI - Dissolution: If WMVCF ceases to exist as a qualified charity, or if at any time either WMVCF or the School Board desires to discontinue the Fund and the Committee within WMVCF, and if there are any funds remaining to be received or being held by WMVCF in the Fund, such funds shall be disbursed either to the School District for the purposes intended by donors of such funds, or to another qualified charity designated by the School Board to be further held and used in accordance with any applicable donor intentions and conditions.

Article VII - Amendments: These by-laws may be amended at any time by WMVCF with the approval of the School Board.

THESE BY-LAWS HAVE BEEN ADOPTED ON ____________, 2020
AND SUBMITTED TO THE SCHOOL BOARD ON ____________, 2020.

January 27, 2020

Dear Mr. McFalls and Mr. Vergilio,

Please accept this letter as my official resignation from my position as school nurse with Custer County School District, C-1 at the end of this contract year. After much contemplation, I have made the decision to not renew my contract for the 2020-2021 school year due to the needs of my own growing family.

I have thoroughly enjoyed my last 4 years with the district and am honored to have had a position that I truly will miss and find difficult to leave. It has been a pleasure to build relationships with students, families, and the community over this time.

I am happy to help in whatever ways possible to ensure a smooth transition for both our students and a replacement.

Sincerely,

Carmalene Odle Gallagher, RN, BSN

Teachers & Staff,

Attached are the proposed calendars for 2020-21. Please check front & back of this packet for all pertinent calendar details for each calendar option and the actual options (We're trying to save trees!). Fill out the bottom of this page and put in the manila envelope in the office by Wednesday, Jan. 29.

**Option A is similar to the calendar we have been running in recent years (not this year, of course)! Option B is similar to Option A, but it has the added feature of a soft start in January. If you vote for Option B, please note that with only two inservice days before school starts, time to work in our classrooms on those days will be limited. Option C allows for a later start. The needed days are all made up on select Fridays 1st semester. All calendars are 144 days, and the school day will run from 8 a.m. - 4 p.m. We are planning to continue with closed campus lunch, which allows us to count the secondary's 10 min. recess as instructional time. The result is that, this year, there are 7 snow days built into the calendar!

Thanks,
Calendar Committee

A. General Principles.

This policy is intended to prohibit/restrict specific expenditures made for the benefit of District employees, spouses/significant others, or their families. It does not apply to travel, food/beverages, apparel and similar expenditures made strictly and exclusively for students, parents, or other community members in support of Board of Education objectives and priorities.

This policy only applies to the use of "District funds." "District funds" refers to revenues disbursed to the District, its departments and schools through the general fund, mill levy overrides, general obligation bonds, certificates of participation, allocations from the federal government through "title" programs, other tax revenues, or funds that may be accrued through district activity or expenditure of funds (ex. Credit cards cash back, etc.). "District funds" include professional development funds allocated for use by a specific employee or to a position on District Staff. "District funds" do not include revenues received by third party donations, including those from parents, foundations, and businesses; those resulting from employee expenditures, nor those generated from fundraising efforts in which it is disclosed that some portion of the proceeds will be spent for the benefit of District employees.

Money collected exclusively by staff members from other staff members for social purposes may be deposited in an external account. This does not apply to funds from other sources, including fundraising.

This policy's prohibitions apply to all employee groups, including senior District leadership.

B. Food/Beverage Expenditures.

The expenditure of District funds for food or beverages, including but not limited to staff appreciation events, staff meetings, and training meetings, is prohibited except as provided below.

Permitted exceptions to the food and beverage prohibition are the following, or events that are similar in scope or purpose to the specific exceptions identified above:

1. Food/beverages for Back-to-School Night events, parent/teacher conferences, and other events with the primary purpose of parent or community engagement, provided that such food/beverages are furnished exclusively at school sites.

2. Food/beverage purchases celebrating exceptional achievements by groups of students, provided that such food/beverages are furnished exclusively at school sites.

3. The annual dinner recognizing retirees from the District.
4. Events where staff or committees or asked to stay after school or work on a non-calendar school day for a school function.

5. Inservice days that are on the school calendar.

District staff may partake of any food / beverages purchased pursuant to any of the above exceptions.

C. Employee Gifts/Purchases.

Except for work-related clothing provided pursuant to a collective bargaining master agreement, District funds shall not be used to purchase t-shirts, sweatshirts, water bottles, bags, gift cards, or other items of a personal nature regardless of whether such item includes a District, department, or school logo.

D. Employee Recognition.

There are circumstances and occasions wherein District employees deserve recognition for their exceptional or extraordinary service to students. Within the guidelines and principles of this policy, department supervisors and principals may determine that District funds in an amount not to exceed $40 per employee per year may be expended on items of a personal nature to acknowledge the exceptional or extraordinary service. Such a determination may be made only when there are no "non-District funds" as identified above, available for the expenditure.

Adopted:
Revised Sample Policy

NOTE: Boards are required by law to adopt a policy that requires notification to the parents of eighth grade students of the district's available courses that satisfy the higher education admission guidelines of the Colorado Commission on Higher Education and a policy requiring each school to assist students and their parents to develop and maintain individual career and academic plans no later than the beginning of ninth grade. This policy reflects these legal requirements.

This policy is intended to replace former policy IHA, Basic Instructional Program.

Preparation for Postsecondary and Workforce Success

The Board believes that to decrease student dropout rates, increase graduation rates and encourage all students to reach their learning potential, it is important to support students in planning for postsecondary and workforce opportunities throughout their education. To promote students' postsecondary and workforce success and in accordance with state law, the district shall provide the following opportunities and information.

Sixth grade: Each student who enrolls in the sixth grade, on the day of enrollment, will be encouraged to register with the state-provided, free online college planning and preparation resource, commonly referred to as "CollegeInColorado."

Eighth grade: The Colorado Commission on Higher Education (CCHE) will provide information to the parents/guardians of eighth grade students about the admission requirements for institutions of higher education in Colorado. In addition, the district will make information available to these same parents/guardians about the courses the district offers that meet the CCHE admission requirements. This information will be made available to parents/guardians prior to the student's enrollment in his or her ninth grade courses.

NOTE: State law requires the district to assist students with the development of individual career and academic plans (ICAPs) no later than the beginning of ninth grade. The district may choose, however, to require development of ICAPs in any grade prior to ninth grade. C.R.S. 22-32-109(1)(c). 

Beginning in ___ grade: District personnel shall assist students to develop and maintain individual career and academic plans (ICAP) in accordance with the requirements of state law. Each student's ICAP will be designed to assist the student and the student's parent/guardian with the following:

- exploring the postsecondary career and educational opportunities available to the student;
- aligning coursework and curriculum;
- setting performance expectations;
- meeting academic and career goals;
- applying to postsecondary education institutions;

1 of 2
enabling the student to demonstrate postsecondary and workforce readiness prior to or upon high school graduation;

- securing financial aid; and

- ultimately entering the workforce.

The district’s plan for the development and implementation of student ICAPs shall be in accordance with this policy’s accompanying regulation.

NOTE: A district that chooses to participate in the career development success program shall “regularly communicate to all high school students” regarding qualified industry-credential programs, qualified internship, residency, or construction industry pre-apprenticeship or apprenticeship programs, and qualified advanced placement courses and the benefits a student receives as a result of successfully completing one of these programs or courses. Such communications shall be designed “with the goal of increasing participation in these programs and courses across all student subgroups.” C.R.S. 22-54-138(7).

COLORADO SAMPLE POLICY 1999©
Revised Sample Regulation

File: IHBK'-R

NOTE: Colorado school districts are required by law to adopt a regulation on this subject and the law contains some specific direction as to the content or language. This sample contains the content/language that CASB believes best meets the intent of the law. However, the district should consult with its own legal counsel to determine appropriate language that meets local circumstances and needs.

This regulation is intended to replace former regulation IHA-R, Basic Instructional Program.

Preparation for Postsecondary and Workforce Success
(Implementation Plan for Student Individual Career and Academic Plans)

In accordance with state law and the timeline prescribed by applicable State Board of Education rules (Rules), the district shall create a plan for the development and implementation of student individual career and academic plans (ICAP).

NOTE: The Rules require the district’s ICAP implementation plan to be “based on recommendations from school counselors, school administrators, school personnel and/or approved postsecondary service providers” (e.g. Trio, Gear Up, Denver Scholarship Foundation, admission counselors).

At a minimum, the district’s ICAP plan shall address:

1. How the district will ensure that all students, beginning in the ___ grade, have access to and assistance in the development of an ICAP.

NOTE: Insert the grade level at which the district will provide access to ICAPs, in accordance with this regulation's accompanying policy. The Rules require school counselors, school administrators, school personnel, and/or approved postsecondary service providers at the middle and high school levels to ensure students and parents/guardians receive information and advising regarding the relationship between the ICAP and postsecondary goals and expectations.

NOTE: State law requires schools to ensure that, in developing and maintaining each student’s ICAP, the counselor or teacher explains to students and their parents/guardians: (1) the requirements for and benefits of enrolling in postsecondary courses pursuant to the Concurrent Enrollment Programs Act, (2) the various career pathways created by state law concerning workforce development and the types of certificates and jobs to which each pathway leads, and (3) the skills and educational opportunities available through military enlistment. The explanation to students’ parents/guardians shall be by electronic mail or other written form. C.R.S. 22-32-109 (1)(oo)(III).
NOTE: State law also requires schools to assist students to use the ICAP “effectively” to:
(1) direct the student’s course selections and performance expectations in at least grades nine through twelve; (2) assist the student in meeting the academic and career goals described in the ICAP; and (3) enable the student to demonstrate postsecondary and workforce readiness prior to or upon graduation from high school at a level that allows the student to progress toward the student’s postsecondary education goals, if any, without requiring remedial educational services or courses. C.R.S. 22-32-109.1(1)(oo)(II).

NOTE: Finally, state law provides that districts “may” administer basic skillsdevelopmental education placement or assessment tests to students in grades 9 through 12. C.R.S. 22-32-109.5-(4)(a). If such tests are administered, the scores of the testing “shall” be included on the student’s ICAP. C.R.S. 22-32-109.5-(4)(b); 1 CCR 301-81, Rule 2.01(1)(k). If a student’s scores indicate that the student is at risk of being unable to demonstrate postsecondary and workforce readiness prior to or upon high school graduation, school personnel “shall” work with the student and student’s parent/guardian to create an intervention plan. Id.

2. The role and responsibilities of the student, parents/guardians, and district staff in creating and updating an ICAP for the student.

NOTE: Best practices indicate a partnership involving the student, parents/guardians, and school staff, with the student “driving” the ICAP process, creates a relevant and personalized ICAP for the student.

3. The activities that will be addressed at each grade level of a student’s ICAP.

NOTE: State law requires ICAPs to address specific elements. See, C.R.S. 22-2-136-(1); 1 CCR 301-81, Rule 2.01(1). However, these elements may be addressed differently at each grade level. For example, career planning in eighth grade may look different than career planning in eleventh grade. The Rules require review of a student’s ICAP on an annual basis. Such review shall indicate any differences from the previous year’s ICAP, including but not limited to goal revision, new postsecondary career and educational plans, financial aid opportunities and changes in academic courses.

4. How students’ ICAPs will be stored.

NOTE: The Rules require ICAP and ICAP related data to be available upon request to the student, parent/guardian, educators and/or approved postsecondary service providers in electronic and/or printable form. The Rules also require the district’s ICAP plan to include a means to insert ICAP related data into an electronic database for an individual student, “to the extent practicable.” 1 CCR 301-81, Rule 2.01(1)(l).

5. If possible, the professional development that will be provided to appropriate district staff regarding ICAPs and the staff’s role in implementing the district’s ICAP plan.
NOTE: The Rules require the district’s ICAP plan to demonstrate that professional
development regarding ICAP implementation is in place for school counselors, school
administrators and school personnel “where possible.” Staff training opportunities about
ICAP development and implementation are provided at no cost to school districts by
organizations such as College in Colorado, Colorado Department of Education and the
Community College System’s Career and Technical Education Office.

6. The method that will be used to evaluate the implementation and
effectiveness of the district’s ICAP plan.

NOTE: One option is to base the district’s evaluation method on the American School
Counselor Association’s National Model Standards.

(Adoption date)

NOTE 1: State law concerning workforce development defines a career pathway as “a series of
connected education and training strategies and support services that enable students to secure
industry-relevant skills and certification where applicable, to obtain employment within an
occupational area, and to advance to higher levels of future education and employment.” C.R.S. 24-
46.3-104 (2)(b).

NOTE 2: Comprehensive career guidance resources and ICAP support, including sample ICAP
implementation plans, can be found on the Colorado Community College System’s website,

Annual Audit

In accordance with state law, all funds and accounts of the district shall be audited annually, following the close of the fiscal year.

The Board shall issue a request for proposal (RFP) every three years or use some other similar process for selection of an independent auditor licensed to practice in Colorado and knowledgeable in government accounting to conduct the audit. The independent auditor also shall audit the activities accounts of the district for report to the Board of Education.

The audit report shall contain among other information:

1. Financial statements prepared insofar as possible in conformity with generally accepted governmental accounting principles. (The financial statements are the representation of the district whether prepared by the district or by the auditor.)

2. Disclosures in accordance with the Financial Policies and Procedures Handbook. The supplemental schedules of receipts and expenditures for each fund shall be in the format prescribed by the State Board of Education and shall be in agreement with the audited financial statements of the district.

3. All funds and activities of the school district.

4. A budget to actual comparison for each fund and activity.

5. The auditor's opinion on the financial statements. If the opinion is anything other than unqualified, the reason must be explained. The opinion shall include general fixed assets.

7. A supplemental listing of all investments held by the district at the date of the financial statement.

8. A calculation of the school district's fiscal year spending in accordance with the state constitution.
NOTE: Colorado school districts that receive federal funds are required by federal law to adopt procurement procedures and the law contains some specific direction as to the content or language. This sample policy and its accompanying regulation contain the content/language that CASB believes best meets the intent of the law. However, the district should consult with its own legal counsel to determine appropriate language that meets local circumstances and needs.

The district may continue to comply with the procurement standards in previous federal guidance for two additional fiscal years following the implementation of the federal Uniform Grant Guidance (UGG), which became effective December 26, 2014. If the district chooses to use previous procurement standards, the district must document this decision in its internal procurement policies and procedures. As of July 1, 2017, districts that receive federal funds must comply with the UGG for all purchases made with federal funds and must implement procurement procedures that meet the UGG's requirements.

Federal Procurement

This policy and its accompanying regulation shall apply to the purchase of services, supplies, equipment or other property with federal funds that are subject to the federal Uniform Grant Guidance (UGG) and other applicable federal law, including but not limited to the Education Department General Administration Regulations (EDGAR) and the United States Department of Agriculture (USDA) regulations governing school food service programs. In the event this policy or its accompanying regulation conflict or are otherwise inconsistent with mandatory provisions of the UGG, EDGAR or other applicable federal law, the mandatory provisions of such laws shall control.

NOTE: We recommend the following paragraph to clarify that district employees shall follow other applicable Board policies and state law, such as purchasing authority and competitive bidding, to the extent these policies impose additional requirements or procedures. For example, state law requires districts to conduct criminal background checks for any person providing direct services to students pursuant to a written contract. C.R.S. 22-32-122 (4).

District employees shall follow Board policy concerning employee purchasing authority when making any purchase with federal funds and shall obtain prior Board approval in those instances when it is required by Board policy. District employees shall also follow applicable state law and Board policy concerning competitive bidding, to the extent state law and/or Board policy establish additional requirements that are not inconsistent with this policy and its accompanying regulation. When applicable by law and/or policy a check for debarment with the Secretary of State shall be conducted as well as, where applicable by law or policy a requirement of a criminal background check, proof of liability insurance and works comp. shall be provided.

Micro-purchases (less than $3,500)

A "micro-purchase" is a purchase that, in an aggregate amount, is less than $3,500.
Micro-purchases may be made or awarded without soliciting competitive quotations, to the extent district staff determine that the cost of the purchase is reasonable. For purposes of this policy, "reasonable" means the purchase is comparable to market prices for the geographic area.

To the extent practicable, the district will distribute micro-purchases equitably among qualified suppliers when the same or materially interchangeable products are identified and such suppliers offer effectively equivalent rates, prices and other terms.

**Small purchases ($3,500 to under $150,000)**

A "small purchase" is a purchase that, in an aggregate amount, is $3,500 or more, but less than $150,000.

**NOTE:** Given that the federal government periodically adjusts the micro-purchase dollar amount as well as the amount that requires competitive bidding, the amount considered to be a "small purchase" is currently $3,500 or more but less than $150,000.

For small purchases, price or rate quotes shall be obtained in advance from a reasonable number of qualified sources, as detailed in this policy's accompanying regulation, unless:

1. a valid basis exists under the federal Uniform Grant Guidance for relying on procurement by a noncompetitive proposal (i.e., "single source" procurement); or
2. the district elects to use a more formal competitive bid or request for proposal process.

**Large purchases ($150,000 or more)**

A large purchase is a purchase that, in an aggregate amount, is $150,000 or more.

**NOTE:** The dollar amount at which competitive bidding is required is adjusted periodically by the federal government. The threshold most recently established and published in the Federal Register is $150,000.

The district shall conduct a cost or price analysis for large purchases that, at a minimum, includes making an independent estimate before receiving bids or proposals (including noncompetitive proposals). A cost analysis means evaluating the separate cost elements that make up the price. A price analysis means evaluating the total price, without looking at the individual cost elements.

Whenever appropriate and relevant to the specific transaction, the cost analysis may include life-cycle cost estimates which shall then be incorporated into any solicitations of bids or proposals.

**Unnecessary or duplicative items**

The district shall avoid the acquisition of unnecessary or duplicative items.
Consideration shall also be given to consolidating or breaking out purchases to obtain a more economical purchase.

Recordkeeping

The district shall maintain records sufficient to detail the history of procurements made with federal funds. These records may include, but not necessarily be limited to, the following: rationale for the method of procurement, contractor selection or rejection, and the basis for the contract price (including a cost or price analysis).

Retention of such procurement records shall be in accordance with applicable law and Board policy.

Notice upon arrest for specific criminal offenses

An employee's criminal misconduct may constitute a violation of Board policy. Such criminal misconduct may also necessitate disciplinary action against the employee and require the district to notify students' parents/guardians of the employee's criminal charges in accordance with state law.

In an effort to keep the district apprised in a timely manner of potentially concerning behavior by its employees, an employee who is arrested for any reason including one of the following criminal offenses shall provide written notice to the superintendent or designee. Such notice shall be provided prior to reporting to duty in the district and no later than five days after the employee’s arrest.

The required notice applies to the following criminal offenses:

1. felony child abuse, as specified in C.R.S. 18-6-401;

2. a crime of violence, as defined in C.R.S. 18-1.3-406(2), except second degree assault, unless the victim is a child;

3. a felony involving unlawful sexual behavior, as defined in C.R.S. 16-22-102(9);

4. felony domestic violence, as defined in C.R.S. 18-6-800.3;

5. felony indecent exposure, as described in C.R.S. 18-7-302; or

6. a level 1 or level 2 felony drug offense, as described in C.R.S. 18-18-401 et seq.

Disciplinary action and parental notification

Upon receiving notification of an employee's arrest for one or more of the above-listed criminal offenses, the district may conduct further investigation as it deems necessary and/or refer the matter to the Colorado Department of Education. Disciplinary action, including dismissal, may be taken against the employee as deemed appropriate by the district, in accordance with applicable law and Board policy.
The district may also notify students' parents/guardians when an employee is charged with any of the above-listed criminal offenses, in accordance with state law and applicable Board policy.

Professional boundaries with students

In a professional staff/student relationship, staff members maintain boundaries with students that are consistent with their professional code of conduct and obligations. All district employees are expected to observe and maintain proper professional boundaries, in accordance with this regulation and accompanying policy.

The following list provides examples of staff conduct that, in the absence of evidence of a legitimate educational purpose or other reason deemed valid by the district, may be regarded as evidence that a staff member has violated professional boundaries with a student:

• any type of inappropriate physical contact with a student or any other conduct that might be considered harassment under Board policy

• furnishing alcohol, drugs or tobacco to a student or being present when any student is consuming these substances

• repeating sexual or inappropriate romantic rumors

• accepting massages, or offering or giving massages other than in the course of injury care administered by the appropriate athletic trainer, coach or health care provider

• singling out a particular student or students for personal attention or friendship beyond the ordinary professional staff-student relationship

• being alone with a student behind closed doors

• initiating or extending contact with a student beyond the school day or outside of class times for the staff member’s personal purposes

• sending or accompanying a student on personal errands

• inviting a student to a staff member's home without appropriate chaperones

• going to a student's home when the student's parent/guardian or an appropriate chaperone is not present

• giving a student a ride in a vehicle without prior notification to and approval from both the student's parent/guardian and the building principal, except in an emergency under appropriate circumstances

• giving gifts or money to the student
• any other action or activity similar in nature to those listed above

Prohibited communications in any format (email, text messaging, written communications, in person, etc.) by a staff member with a student includes, but is not limited to the following:

• any communications without a legitimate educational reason
• flirting, propositions or sexual remarks
• sexual slurs, leering, sexual or derogatory comments
• inappropriate comments about a student’s body
• sexual jokes, notes, stories, drawings, gestures or pictures
• displaying or transmitting sexual pictures, objects or depictions
• disclosing personal, sexual, romantic, marital or employment issues or other private matters
• other communications or activities similar in nature to those listed above

Notice upon arrest for specific criminal offenses

6. a level 1 or level 2 felony drug offense, as described in C.R.S. 18-18-401 et seq.

Disciplinary action and parental notification
Upon receiving notification of an employee's arrest for one or more of the above-listed criminal offenses, the district may conduct further investigation as it deems necessary and/or refer the matter to the Colorado Department of Education. Disciplinary action, including dismissal, may be taken against the employee as deemed appropriate by the district, in accordance with applicable law and Board policy.

The district may also notify students' parents/guardians when an employee is charged with any of the above-listed criminal offenses, in accordance with state law and applicable Board policy.

Reporting violations and disciplinary action

Staff members shall promptly notify the principal or superintendent if they become aware of a situation that may constitute a violation of this regulation. Depending on the specific circumstances of the allegations or suspicions, staff members may have a mandatory duty under state law to report the violation(s) as child abuse, in accordance with applicable Board policy.

Students and their parents/guardians should notify the principal or superintendent if they believe a teacher or other staff member may be engaging in conduct that violates this regulation.

In determining whether a violation of professional boundaries has occurred, the district shall consider the totality of the circumstances, including the nature and extent of the conduct involved, the job description and duties of the employee, the employee's intent or purpose in engaging in the conduct, and whether the conduct caused harm to the student or adversely affected the education of students.

Persons reporting in good faith regarding alleged violations or suspected violations of this regulation shall not be subjected to retaliation in any form.
